

Challenge 7: ABUNDANCE

Following many successes, both political and military, the influence of the Count of Troyes in Champagne grew drastically. Many ambitious lords, bourgeoisie, and prelates came to Troyes, hoping to find a career and fortune there. These newcomers brought with them new opportunities. It's time to grab them. But only if you are able to pay the right price.

Difficulty:

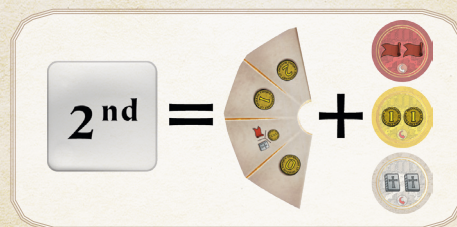

SETUP

PLAY THE GAME

SPECIAL RULES:

Each half day, after performing an action as per the normal rules, you may perform one additional action with a second (different) die of your choice, by paying 2 resources of the same color as the plaza of that second die in addition to its base cost.

During Phase 1 (Roll the Dice) of each half day, roll all dice as normal:

	Die 1	Die 2	Die 3	Black Die
Morning	?	?	?	?
Afternoon	?	?	?	?

Scores to beat: (First game/Best score)

Alain : 60/65 ♦ Xavier : 53/79 ♦ Sébastien : 83/83
